HISTORIC AMERICAN ENGINEERING RECORD

VA-24

KANAWHA CANAL, 1ST GRAND DIVISION, LOCKS 1 & 2
(JAMES RIVER & KANAWHA CANAL, THREE MILE LOCKS)

Date: 1827

Location: Pumphouse Dr. Richmond, Virginia.

Owned by: Originally; James River Canal Company.
As of 1971: City of Richmond

Significance: The Three Mile Locks (1 & 2) were part of the 1st Grand Division of the James River and Kanawha Canal, that ran from Richmond to Lynchburg. These locks were in very good condition when surveyed in 1971, and as a result become excellent examples of early 19th century canal construction.
